And the amazing people and progress

Ian Patterson, Phil Crombie and the rest of the crew are doing a stellar job!

The Baden-Powell Guild AGM 2025 will be held in Napier, at the Greendale Tamatea Scout Hall on the 5th and 6th of April 2025.

Preparations for the AGM are all coming together and hope to see you in Napier.

Our Founder's Day/ Thinking Day will be held on Saturday, February 22.

Graham Johnson

National Guildmaster

National Secretary Report

Welcome to another Scouting year.

Planning for the National AGM is going well. The National Team held a Zoom Executive Meeting on 13th January 2025. From the look of it, we are well on track with our planning. Registrations are starting to come in. Unfortunately, the Fern Motel that was listed on the registration form is no longer available for bookings. The Ace High Motel appears to have the most reasonable rate so far. Note: The Saturday night meal is included in the registration fee. The extra \$35.00 for the meal is for members, family and friends who have not registered to attend the AGM but would like to come to the meal.

Branch AGM

By now you will have this date marked on your programme calendar and financial reports being prepared for examiners. Please ensure that reports, financial statements and names of your elected Officers are forwarded to me no later than Friday 14th March 2025. If your AGM is being held after this date, could you please send me the Guildmaster's report, and financial statement. The minutes can be sent after you have held your AGM. This allows us time to have them printed in the National AGM Booklet needed for the AGM being held on the 5th April 2025.

The team is looking forward to catching up with our scouting friends at the AGM. There is still plenty of time to register if you would like to attend.

See you in April

Glenys

National Secretary

Greetings from the Editor

Welcome to 2025, it's certainly true that the older you get the faster time passes, it's hard to believe, we are already into February.

Thank you to those who have sent through articles for this issue. Feel free to include any snippets of interest from around your area, e.g. Founders Day, ANZAC Service, Scouts or Guides around town or on activities. And take photos if possible. Really looking forward to catching up in April, at the Baden-Powell Guild AGM.

TREFOIL GUILD REPORT: No Report received

BADEN-POWELL GUILD REPORT: The last four years, since March 2020, have changed us all. The long, drawn-out Pandemic with the civil unrest and misinformation, to the now, very real evidence of climate change with fires, floods, cyclones and tornadoes. Due to our backgrounds of Scouting, Guiding or the Kiwi 'Can-Do' attitude, most of us have mastered the art of working around the restrictions put upon us with some activities like Zoom Meetings and smaller groups of people meeting together, but we all feel less inclined to travel too far from home. The 30th ISGF World Conference will be going ahead and will be held in Granada, Spain from Tue, 17 September 2024 - Sun, 22 September 2024. If anyone is interested in attending, the details are on the ISGF website.

Don't forget to keep in touch on the NZ Baden-Powell Guild Facebook page? All members are accepted but it is a private page, so no-one outside ISGF can become members. This limits the possibility of it being infiltrated by hackers. Contact Lesley Bowers if you are interested in joining? And please share your activities and get-togethers during the year. Thank you to those who have contributed. And also, to Sue and Allan Page, UK Baden Powell Guild for their input. Most of our Branches have been able to hold some successful events and outings throughout 2023, however, we are still being disrupted by climate change and an increased cost of living which is impacting on us all. We all need to play our part in the future of our surroundings so future generations can enjoy a better world. It is important that we all become more self-sufficient by growing our own, and sharing this with our friends, family and neighbours. My thanks go to each and every one of you for your continued support of each other and the many Branches of the Baden-Powell Guild throughout New Zealand. Special mention must go to Kaye Jopson, National Deputy Guildmaster, who has tendered her resignation which I have reluctantly accepted, to Margaret Blair-Young as Patron for 6 years and Cheryl Dalzell as National Secretary/Treasurer over the last 4 years for being such amazing support.

Kaye has made many improvements to how we communicate with each other, by setting up the New Zealand Baden-Powell Guild Facebook page (but was disappointed on how few Branches took up her challenges), and once Covid-19 took hold, organised the Zoom platform which we will continue to use on a regular basis. Because of Covid restrictions, Kaye was not able to implement many of the other recruitment ideas she had planned. Thanks also to Peter McInnes for your ongoing commitment to produce Te Pukapuka over the last 10 years and enjoy your well-earned rest. I have really enjoyed the last 6 years as National Guildmaster and hope you give full support to my replacement.

Lesley Bowers, National Guildmaster

LOCAL SCOUT GUIDE FELLOWSHIP REPORT: At present we have 6 Fellowship Groups spread from Northland to Canterbury. These groups operate just like most other Guilds as they continue to uphold the ideas in their communities. They organise themselves, value their independence and meet regularly. Day trips potluck meals and the obligatory coffee mornings, round out their varied programmes. Regular newsletters keep them up to date. A closer look at LSGF membership makes for interesting reading:

- Over 60% of members are from Trefoil Guilds which have closed.
- A further 20+% are dual members who still belong to a Trefoil Guild or Baden-Powell Guild.
- 98% are women - most with some Trefoil or Guiding connection.

While we are more than happy to provide an alternative home for Guilds that have closed, we are also aware that there are former members who have moved to areas where there is no Guild activity. We are currently offering Lone Fellowship membership so that we don't lose valued members. All this begs the question "Where to from here?" Numbers continue to dwindle and none of us is getting any younger. Perhaps instead of operating as 3 separate groups, the time has come to seriously consider becoming one NZSGF, like almost every other ISGF member country.

Mike Crane, LSGF Co-ordinator

ASIA PACIFIC REGION (AsPac) REPORT: The Asia Pacific Region has many zoom meetings since the last Triennial Conference, including Founders Day/Thinking Day in 2023 and 2024; Committee meeting planned for Katmandu, Nepal but this was cancelled; AsPac Earth Day; AsPac Committee meetings x 3; AsPac World Environment Day Webinar, The Recycling of Plastics (Sri Lanka); AsPac Regional Growth Workshop, hosted by India; Gathering in Penang, Malaysia and 2 weeks ago the Gathering in Sri Lanka.

Unfortunately, New Zealand has not sent a representative to any of the meetings or gatherings that were face to face – Malaysia, India or Sri Lanka.

AsPac are very keen to help those less fortunate than ourselves and carry out numerous projects in the communities in which they live.

Recently, Simon Rhee from South Korea, has made badges, pins and patches, free of charge, for all member countries to present at an event where recruitment can be promoted, and all participants can wear with pride. These have been sent to New Zealand but, unfortunately, are sitting in customs awaiting clearance, so will be sent out separately following the Conference.

ISGF REPORT: Created in 1953 and supported by WOSM and WAGGGS, ISGF has National Scout and Guide Fellowships in **75 countries** and more to follow. Furthermore, it is also represented in **34 countries** with members (individuals or groups) of Central Branch.

The 30th ISGF World Conference will be going ahead and will be held in Granada, Spain from Tue, 17 September 2024 - Sun, 22 September 2024. If anyone is interested in attending, the details are on the ISGF website.

There will be pre-Conference tours and post-Conference tours available, but get in quickly with registration because the longer you leave it the more expensive it becomes.

There has been also correspondence relating to the World Conference, so please to check out what is happening in our world of ISGF please check the website frequently.

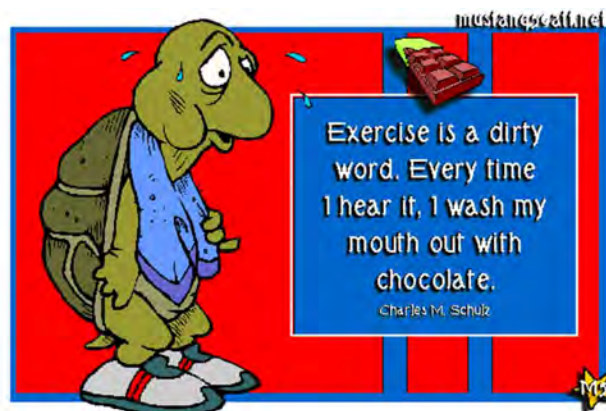

*Lesley Bowers, National Baden-Powell Guildmaster, Deputy Guildmaster – Auckland Branch
AsPac Region Committee member, Member of ISGF*

BRANCH REPORTS

Wanganui/Manawatu Branch

Finally in November last year we managed to get together again after a few months of not meeting, due to health issues, etc.

This time we met at Lorna's residence in a lounge room. After lunch Kenyon gave us a very good talk about his trip to Egypt, showing us souvenirs from there and talking of the history of places. Extremely interesting.

In December we met for our end of year lunch at Caspers café in Palmerston North. Very nice, so we arranged to meet there again for lunch in January, which we have since done.

February will be our AGM at Bulls – Alan has invited us to his house. We will then discuss the future of our little group.

Christchurch Branch

2025 Greetings from Christchurch. We all hope everyone has had a good Christmas /New Year break with family, fun and friends.

As our reported plan last year, we had an enjoyable Christmas Buffet lunch at Hornby Club with Trefoil friends and Ronald McDonald House enjoyed a hamper of donated groceries and treats. The intended Picnic today has been 'rained off' so it is 'tucked behind the ear' for another time. Gathering for friendship in a park or garden (in nature) is refreshing, healing and bonding.

Our Guild continues to meet on the 4th Monday morning each month with business, a topic of interest and BYO lunch. Please join us when you visit Christchurch.

So, looking forward to this new year, yours in Fellowship. Jean Bell

Central Otago Report

The Baden-Powell Guild - Central Otago, were excited to be in the Five Stags Bar and Restaurant's little private cabin, just to themselves, enjoying their Branch Christmas lunch.

We are also attending the local Mahurangi and Rangitoto Founders Day event with a promotional presence. To help with this we have had 2 Flags made that stake into the ground or go in stands. Thanks Simon Carter, for organising the hardware for these at silly low price, it made the whole exercise affordable. If anyone wants to borrow one of these, this can be arranged just need to sort out sending and return by courier.

Our Nov 2024 Xmas Lunch got into the last Te Pukapuka so no events since then as the Xmas lunch was the last activity for the year.

We are all looking forward to a great 2025.

MURIHIKU

Since our last report the southern team members have experienced some wonderful family times, a remarkable local cruise, time in hospital and experienced a great summer.

To get the year underway we had wonderful pot luck social evening at our Guildmaster John and wife Janet's home in Invercargill. Janet and John having just returned from an eight-day local cruise from Bluff to Stewart Island and the Fiordland coast including Dusky Sound, Doubtful Sound to Thomson Sound, Milford Sound and the Solinder Islands and back to Bluff. Members were keen to hear a report. Janet and John shared their experiences through a wonderful slideshow put together by their 11 year old granddaughter McKenzie, created from the dozens of photos taken.

I am sure, from the positive remarks many are now thinking and acknowledging that New Zealand, especially our Fiordland National Park is so beautiful and precious and a "must see" experience. Here's to looking forward to a wonderful year of fun and experiences.

"Kotare"

Wishing you all a happy, healthy year ahead.

Our first meeting 2025 will be the Branch
